Mentor Application

Mentors for this program will be considered a tutor, coach or counselor. Mentors will relay technical and non-technical information on relevant projects to the student, helping to formulate ideas for assisting the committee in the achievement of the goals of the project, participating in teleconferences and possibly chaperoning the student to in-person meetings. Mentors will provide the foundation for the student's perception of PWSRCAC, with the help of PWSRCAC staff.
