COUNCIL NEWS

- BP is holding an oil spill drill in Prince William Sound on May 1-3. Council staff and volunteers will participate as observers and role players.
- The council's next board meeting will be held in Valdez on May 2 and 4. Our [board meetings](#) are always open to the public. Information about this meeting's topics and schedule will be posted soon on our web site.
- New one-page [fact sheets](#) on our website include Tanker Escort System, Fishing Vessel Training, and Fishing Vessel Types.
- The council continues its search for a qualified Maritime Operations Project Manager based in its Valdez office. For a detailed description of the position, visit our [Employment](#) web page.
- Annual spring fishing vessel training (a program run by Alyeska's Ship Escort Response Vessel System, or SERVS) is underway in Homer, Seward, Valdez, and Cordova. The council monitors the training and provides feedback to SERVS.

Q&A

Q: How can I find out what areas were oiled by the 1989 Exxon Valdez spill?

A. On our website, see a map of [areas oiled by the Exxon Valdez](#).
