

Prince William Sound Stewardship Foundation

1

Who We Are

The PWS Stewardship Foundation is dedicated to helping keep Prince William Sound healthy, clean, and wild for all to enjoy.

We are a community of individuals, businesses, and organizations supporting public education, restoration, and stewardship projects that serve Prince William Sound's ecosystem, fish, wildlife, residents, and visitors.

2

Hope Spots

Hope Spots are special places that are scientifically identified as critical to the health of the ocean.

- A special abundance or diversity of species, unusual or representative species, habitats or ecosystems
- Particular populations of rare, threatened or endemic species
- A site with potential to reverse damage from negative human impacts
- The presence of natural processes such as major migration corridors or spawning grounds
- Significant historical, cultural or spiritual values
- Particular economic importance to the community

11

Why a Prince William Sound Hope Spot?

- Resilience
- Recognition
- Community
- Communications
- Collaboration
