Attn: Mr. Mark Swanson, Executive Director
P. O. Box 3089
130 South Meals, Suite 202
Valdez, Alaska 99686

Dear Mr. Swanson:

After review of the recertification package submitted by the Prince William Sound Regional Citizens' Advisory Council (PWSRCAC) dated January, 2012, I certify the PWSRCAC as an alternative voluntary advisory group permitted under Subsection 5002(o) of the Oil Pollution Terminal and Oil Tanker Environmental Oversight and Monitoring Act of 1990. This recertification terminates February 28, 2013.

Under the guidelines established by the Coast Guard in 2002, this re-certification fell under the streamlined inspection process and as such only substantive changes were reported by your office and public comment was not sought by the Coast Guard.

My staff and I look forward to continued work with you to maintain and improve safe and environmentally sound transportation of oil in Prince William Sound.

Sincerely,

A handwritten signature in blue ink, appearing to read "T. Ostebo", written over a large, stylized blue scribble.
