Inspections & Investigations

Chugach Alaska Corporation
Dear Sir:

City of Cordova
City of Homer
Please find enclosed the Prince William Sound Regional Citizens' Advisory Council's application for recertification as the alternative voluntary advisory group for Prince William Sound, per Sec. 5002 (o) of the Oil Pollution Act of 1990.

City of Kodiak
City of Seldovia
In accordance with procedures previously developed (in 2008), this year's application is based on a questionnaire developed by the Coast Guard for the recertification process. This year's package includes the following:

- City of Seward
City of Valdez
City of Whittier
Community of Chenega Bay
- Completed questionnaire using the form provided by the Coast Guard
 - Draft news release on the availability of our application for review and comment
 - Annual report of the Prince William Sound Regional Citizens' Advisory Council
 - CD-ROM containing electronic versions of our budget and five-year Long-Range Plan; our most recent financial audit; and our funding contract and most recent contract addendum with Alyeska Pipeline Service Co.

Community of Tatitlek
Cordova District Fishermen United
As discussed with the Coast Guard prior to submission, we have attempted to make this application both smaller and easier to review, first, by referring the reviewer to our annual report where it covers information also needed for recertification, and, second, by submitting some of the larger backup documents on CD-ROM as described above.

Kenai Peninsula Borough
If you need additional information, please contact Steve Rothchild in our Anchorage office or me in our Valdez office.

Kodiak Island Borough
Sincerely,

Mark A. Swanson
